

MY CHOCOLATE FESTIVE VIRTUAL PARTY

Our Festive Virtual Chocolate Party is the most delicious celebration that will be sure to create **lasting memories, bond your team and heighten everyone's spirits.**

WHAT IS IT

Our **Virtual Festive Chocolate Party** is an online, live streamed workshop. Our energetic Chocolatier will entertain your team as you mix silky smooth ganache, discover quirky piping techniques create the most outrageous, most professional and most crazy-flavoured fresh cream truffles. It'll be the best Zoom meeting of the year.

For everyone to craft their chocolate truffles, a **chocolate ingredient kit** will be posted straight to each of your team's doors. This contains all the scrumptious chocolate and ingredients they'll need (note, participants will just need to purchase fresh cream) for the virtual party. Using the kit, we'll teach everyone to make our **Christmas Pudding Truffles** alongside our **Isolation Truffles**:

- The *'I'm Losing my Marbles'* - a delicious dark chocolate truffle, marbled with milk chocolate and finished off with a dash of white chocolate flakes.
- The *'Honey I'm Still at Home'* - an indulgent milk chocolate truffle, with a honeycomb surprise.
- The *'I'm Going Coconutty'* - a yummy dark chocolate truffle, rolled in coconut and finished with a sprinkling of raspberry dust.
